

Term 3 is always full of activity and events in the Arts as students and teachers showcase the best of the years work. Term 3, 2013 has been no exception with seniors and juniors actively involved in producing work for externals, productions, performances, competitions and trips.

The annual WSC Dance Showcase – **Dance your Heart Out** was a fantastic display of artistic skill and talent. Four shows demonstrated incredible technique and passion in Dance across a diverse range of traditional and contemporary routines and genres.

Coming up in the final week of Term 3 is the annual **WSC Talent Quest** and we wish those students participating all the very best.

DANCE

Dance Your Heart Out at WSC!

The 2013 Dance Showcase was held on the 5th and 6th of September having two shows each night. Dance styles ranged from contemporary, hip hop to Kapa Haka, Sasa and Capoeira. Year 9 to 13 students performed and we had a total of 24 acts on the Friday night, including two guest performances by the amazing Rutherford College and the EYP dance company. The performances were outstanding and all the students stepped it up on stage! The stunning costumes, lighting and choreography added to the experience and the audience and performers loved it.

On the Friday night a prize giving was held after the last performance, Ollie Carruthers was presented with the award for diligence and dedication to his dance, a huge honour and very well deserved.

Overall, the 'Dance Your Heart Out' showcase was a huge success and couldn't have happened without the amazing efforts of our backstage crew and our amazing Dance teachers Amber McIntosh and Chloe Davison. Thank you to everyone who came and supported us at the show and we hope you enjoyed the talent on show that we have here at Western Springs College.

If you missed out please come along to the next showcase held next term called 'The Last Dance'.
