## MEDIA

### FILM GALA 2013

The Media Studies Department held its annual **Senior Film Gala** at the Hollywood Theatre on October 29<sup>th</sup> 2013. As usual it was a fun-filled night of eclectic films and a tribute to the very talented students in our department! We were treated to a variety of music videos, short films and documentaries. This year we raised \$140 for [Mt Tabor Trust](#) - a community organisation which builds relationships between people of differing intellectual abilities. One of our documentaries revolves around the work of the organisation - from a personal perspective. If you would like to see that documentary or any of the other fabulous films in the gala you can find them [here](#) or use the link or qr code below.

All the student films for the year can be found on our YouTube channel here - We'd be chuffed if you would go and have a look - and even leave us a like or two! Our channel is [Westernspringsmedia](#)
