## PART I- EXPLANATION OF FEES

### Tuition Fee

Tuition fees and all other fees are subject to change and can be confirmed by Western Springs College on application or enquiry for tuition. Students who are undertaking a course of more than one year are expected to pay the increased fees when they come into force.

### Course Fee

The course fee covers textbooks, write-on workbooks, class materials and resources incurred by the departments of all the subjects that the student is taking.

As Technology subjects have high material costs, the course fee will only cover the cost for one Technology subject that a student takes. The *Contingency* fee will be used to cover the cost of materials for the second or third subject in Technology that the student takes.

Transportation costs (\$50 and less) for class day trips organized by subject department will be covered by the Course Fee. More expensive day trips and overnight trips/ camping trips organized by the subject departments are to be paid by the Student/Parents at the Main Office.

### NCEA Exam Fees

NCEA Fees are compulsory for senior international students (Year 11, 12 and 13) who are enrolled for 3 or 4 terms of the school year.

# Fees & General Information

## **Contingency Fee**

The contingency fee is used to pay for some school trips, extra-curricular activities, any extra help needed by the student, on-call service to take the student to see the doctor or counselor, unforeseen homestay/airport transfers, after-school tutorials, holiday classes or holiday entertainment and so on.

As Technology subjects have high material costs, the course fee will only cover the cost for one Technology subject that a student takes. The contingency fee will be used to cover the cost of resources for the second or third subject in Technology that the student takes.

The PE uniform (\$70) will be covered by the Contingency Fee.

Extra academic help, private tutorials and workshops for the Student can be organized by International Student Office and where reasonable can be covered by the contingency fee.

Holiday day/overnight trips organized by the International Department will be paid out of the Contingency Fee to cover costs for transportation, accommodation, food and entertainment.

Any other costs incurred by the student and related to the student's learning and wellbeing may be covered by the Contingency Fee or unused Homestay Fee.

Any unused contingency fee will be refunded at the end of the Student's time at Western Springs College.

## **Homestay Fee**

This is used to pay the homestay family for the proper care of the Student and 3 meals a day.

Full homestay fees continue to be paid during the 2 week holidays throughout the year, whether or not the student stays at the homestay or goes away.

A weekly holding fee of \$70 is paid to the homestay during the Christmas holiday period for storage of the luggage while the student is away and keeping the room available until the student's return.

If the student is not returning to the same homestay, the College is able to store the luggage for \$35 per week.

The student may be responsible for the internet cost at the homestay. Payment of internet ranges from \$10-\$15 per week based on each family's internet provider arrangement.

Any other costs incurred by the student and related to the student's learning and wellbeing may be covered by the Contingency Fee or unused Homestay Fee.

Any unused homestay fee will be refunded at the end of the Student's time at Western Springs College.

## **Homestay Placement Fee & Accommodation Supervision Fee**

The homestay placement fee is charged yearly and covers a variety of costs, including but not limited to: placing the student with a suitable homestay, homestay support, regular visits and interviews with the

homestay family and the students to ensure the student's safety and wellbeing, homestay administration and banking, advertising for homestay family recruitment, unforeseen costs for unexpected temporary or urgent homestay care or change, food required for special occasions or events such as after-school group activities, holiday activities, assemblies and prize-giving and so on.

When a student stays with a Designated Caregiver, a supervision fee will be charged to guarantee the College's supervision of the student's safety and well-being, and cover the cost for the College to assess, approve and supervise the student's accommodation situation.

## Uniform fee

The college does not have a uniform and students are allowed to wear their own clothes within the limits of the guidelines laid down in the Dress Code. Dress should be neat and appropriate for all school related occasions. It is not acceptable for students to wear clothing that is immodest, ripped or that has offensive messages. In questions of acceptability of dress, the College's decision will be final.

The PE uniform (\$70) will be covered by the Contingency Fee.
