

## **Student Council Policy** (21/02/2011)

### **Purpose:**

The Student Council provides a student forum and feedback mechanism to students, the senior managers and the board.

### **Policy:**

1. The council will work to fulfil the goals of school wide initiatives that the senior managers and the board have selected as important school development objectives.
2. The student council will be representative of the student body in accordance with the charter.
3. The council will meet on a regular basis.
4. Student council meetings shall be publically notified well in advance of the meeting time.
5. Student representatives will consult fellow students and report back decisions.
6. The senior manager responsible for student leadership will manage the student council in consultation with the student board representative.
7. The senior manager and the student board representative will make recommendations for action to the principal as required.
8. The Board shall allocate an annual budget to student Council.
