

WESTERN SPRINGS COLLEGE

CONTRACT FOR STUDENTS PLAYING SPORT

At Western Springs College, the commitment of our students when in a team / sport environment is very important. This document is to support our coaching staff in various sports teams. This is also to make sure students are aware of what is expected from them if they wish to represent our college in sport.

Participating in a Western Springs College sports team means:

- School attendance and academic performance must be maintained to the best of my ability.
- I will listen to the daily notices each morning. If I do not hear them I will ask my teacher for a copy of the notice and read it myself.
- I will attend all team meetings for my chosen sport, and if I am not able to make a meeting due to another commitment I will see the teacher in charge at the earliest convenience to find out what information I have missed.
- I will attend all training sessions. If I am injured I will still attend and assist the coaching staff wherever possible.
- I will turn up to all games at the scheduled time our coach has set.
- If I am unable to attend a training session/game I will inform my team manager/coach at the earliest convenience.
- I will give 100% effort in all training sessions and play with pride and discipline in all games.
- I will wear the correct team playing uniform and/or appropriate playing gear with pride.
- I will treat my coach, my team manager and my fellow team members with respect.
- If I do decide to withdraw from a sports team once I have registered I understand I will not get a refund of the sports fee.
- If I do not abide by the conditions of this contract I understand I will be referred to my Dean or the Director of Sport and I will be dealt with under the disciplinary structure of the school.
