G. Western Springs College International Student Accommodation Rules

1. It is the student's responsibility to go to bed and get up on time in order to get to school on time and be alert enough to learn at school.
2. When the student has health problems or issues with their wellbeing or safety outside of school hours, s/he should inform the host parents/caregivers immediately so that the host parents/caregivers can take appropriate action in order to help the student or inform the school/guardian immediately.
3. Western Springs College requires that the student arrives home before dinner time (no later than 6.30pm) on Sundays through to Thursdays. However, each host/caregiver family may have their particular reasonable guidelines regarding this, which shall be respected by students. Students can consult with the International Office for advice if there are issues.

At weekends (Fridays & Saturdays) if the student chooses to go out, junior students (under 16 years of age) should be home by or before 9:30pm and senior students (16 years and older) should be home by or before 10:30pm.

The student may not sleep over at a home where there is no parental/caregiver supervision. If the student is planning to come home late or sleep over at another home, s/he must plan for it in advance and get permission from the host parents/caregivers. The student must provide all contact details to the host parents/caregivers, or to school under special circumstances, during school working hours when requesting for the permission. Contact details provided include the family parents' name(s), physical address, home and mobile phone numbers.

4. Sleepovers are not allowed during the week from Sundays to Thursdays unless approved by the International Student Office under special circumstances. A student of the opposite sex shall not be allowed to sleep over because there are unreasonable responsibilities involved for host parents/caregivers.
5. If the Student would like to invite a friend to their home, s/he must ask for permission from the host parents/caregivers. The student should make sure that he or she does not do this frequently as it involves extra cost and responsibility for the host parents/caregivers. Friends of the opposite sex are not allowed in the student's bedroom with the door shut, nor should they visit when the host parents/caregivers are not home.
6. The Student should keep his/her bedroom tidy and respect the homestay/caregiver property.
7. If the host parents/caregivers offer to do the washing, the Student should make sure s/he puts the dirty washing in the laundry or wherever the host parents/caregiver tell them.
8. The Student should normally take one shower a day. The shower time should be between 5 to 10 minutes. The student should leave the bathroom in the condition that s/he found it. Students are required to provide their own personal toiletries e.g. shampoo and conditioner, body wash, toothbrush and toothpaste.
9. The student should help do basic chores such as wash and dry the dishes, take out the rubbish, wash his/her own clothes, or set the table for dinner etc. The host parents/caregivers are responsible for the students' food and accommodation. It is the student's responsibility to bear the cost for internet, mobile and international phone calls, travel, entertainment such as entries to movies, parks and so on.
