PART I- EXPLANATION OF FEES

Tuition Fee

Tuition fees and all other fees are subject to change and can be confirmed by Western Springs College on application or enquiry for tuition. Students who are undertaking a course of more than one year are expected to pay the increased fees when they come into force.

Course Fee

The course fee covers textbooks (on loan), write-on workbooks, class materials and resources incurred by the departments of all the subjects that the student is taking.

As Technology subjects have high material costs, the course fee will only cover the cost for one Technology subject that a student takes. The *contingency* fee will be used to cover the cost of materials for the second or third subject in Technology that the student takes.

Transportation costs (\$50 and less) for class day trips organized by subject department will be covered by the Course Fee. More expensive day trips and overnight trips/ camping trips organized by the subject departments are to be paid by the Student/Parents at the Main Office.

NCEA Exam Fees

NCEA Fees are compulsory for senior international students (Year 11, 12 and 13) who are enrolled for 3 or 4 terms of the school year. NCEA fees are charged by NZQA but not by the school for internal and external assessments taking place throughout the school year.

Fees & General Information

Contingency Fee

The contingency fee is used to pay for some school trips, extra-curricular activities, any extra help needed by the student, unforeseen homestay/airport transfers, extra tutorials, or holiday entertainment and so on.

As Technology subjects have high material costs, the course fee will only cover the cost for one Technology subject that a student takes. The contingency fee will be used to cover the cost of resources for the second or third subject in Technology that the student takes.

The PE uniform (\$87) will be covered by the Contingency Fee.

Extra academic help and private tutorials for the Student may be organized by International Student Office if required and where reasonable can be covered by the contingency fee.

Holiday day/overnight trips organized by the International Department will be paid out of the Contingency Fee to cover costs for transportation, accommodation, food and entertainment.

Any other costs incurred by the student and related to the student's learning and wellbeing may be covered by the Contingency Fee or Homestay Fee.

Extra transportation services requested to and from the airport or homestay other school registered places are deducted from the contingency or homestay fees.

Any unused contingency fee will be refunded at the end of the Student's time at Western Springs College.

Homestay Fee

This is used to pay the homestay family for the proper care of the Student and includes the normal power and water costs and 3 meals a day (breakfast and lunch self-served and dinner normally prepared and taken with the homestay family members together).

Full homestay fees continue to be paid during the 2 week holidays throughout the year, whether or not the student stays at the homestay.

A weekly holding fee of \$70 is paid to the homestay during the Christmas holiday period for storage of the luggage while the student is away and keeping the room available until the student's return.

If the student is not returning to the same homestay, the College is able to arrange storage for the luggage for about \$35 per week.

In the case of a student requesting to move out of their homestay, a 2-week notice period is paid to the homestay from the day the school is officially notified by the student/agent. Please note that the 2-week notice period will be paid regardless of whether the student stays in the homestay for the full 2 weeks or moves out before the 2-week period has ended.

Any other costs incurred by the student and related to the student's learning and wellbeing may be covered by the Homestay Fee.

Extra transportation services requested to and from the airport or homestay or other school registered places may be charged from the homestay fee.

Any unused homestay fee will be refunded at the end of the Student's time at Western Springs College.

Accommodation Placement Fee

The homestay placement fee is charged yearly and covers a variety of costs, including but not limited to: placing the student with a suitable homestay, homestay support, regular visits and interviews with the homestay family and the students to ensure the student's safety and wellbeing, homestay administration and banking, advertising for homestay family recruitment, unforeseen costs for unexpected temporary or urgent homestay

Fees & General Information

care or change, food required for special occasions or events such as after-school group activities, holiday activities, assemblies and prize-giving and so on.

When a student stays with a parents' Designated Caregiver, a placement fee of \$250 will be charged. It will cover the costs for the College to assess, approve and supervise the student's accommodation situation as well as regular visits and interviews.

Uniform fee

The college does not have a uniform and students are allowed to wear their own clothes within the limits of the guidelines laid down in the Dress Code. Dress should be neat and appropriate for all school-related occasions. It is not acceptable for students to wear clothing that is immodest, ripped or that has offensive messages. In questions of acceptability of dress, the College's decision will be final.
